

## Irma Trail Rangers Hold Pet Show

We would like to congratulate the Irma Trail Rangers for sponsoring the first Pet Show ever held in Irma. This Pet Show was held in Wiesner's Garage and was an education to some with regard to the many different breeds of dogs.

Eight species of purebred dogs were on exhibit as well as seven others whose lineage was not quite so well selected.

**Purebred Dogs:**

Dalmation—owned by Ervin Prosser.

Toy Pekinese—owned by Mrs. Clarence Lovig.

Cocker Spaniel—owned by Alfred Halverson.

American Cocker Spaniel—exhibited by Ross McFarland.

Springer Spaniel—owned by Joe Rohrer.

Labrador Retriever—owned by L. Guiltner.

Smooth Fox Terrier—owned by Mrs. Hager.

Alredale Terrier—owned by H. W. Inglis.

All these dogs are good specimens and a credit to their owners.

Besides these were some fine dogs of mixed breeding: Malcolm Frickleton, Lester Knickly, E. Sharkey, Gary Jones, C. Coffin and Ernie Owens were the exhibitors.

Walter Enger carried off the honors in the best bred to lay pig to prove the point.

The rabbit class was small but distinctive, one being pure white and the other all black.

Billy Masson's ducks were the centre of interest for several hunters as were Cliff Jones' pheasants.

Stan Pierce's cats had special appeal for one lady who promptly bought one of them.

Last but not least was Kennedy's Billy Goat. He was the centre of attraction for many children, but one little boy was heard to say, "I don't want to touch him!"

This pet show was one of the high lights in the Trail Rangers' busy year and they are very grateful to all who helped them in any way to make their day a success.

### MRS. IDA ROSE MAINE

## Glen-Coa Gleanings

Mr. and Mrs. Joe Gulbraa had a pleasant surprise on October 8, when a carload of relatives arrived from the States for a few days' visit. Mr. Gulbraa had not seen his brother from Montana for many years so the reunion with him and his family was indeed a happy one.

Once again over the holiday weekend we appreciated seeing the smiling faces of many of our young folk. Solveig Steffensen and Lily Nelson were home from Camrose; Arlene Steffensen from Edmonton; Curtis Satre and Lawrence Likness from Saskatoon.

Miss Inga Kos spent the long weekend at her home at Cadogan. Mrs. T. Lysseng and Carolyn from Wetaskiwin have been visiting at the Pluevog home.

Miss Eunice Satre has accepted a position as supervisor in the Lilliam School Division.

A slight error in printing occurred in the last Glencoe columns. Mrs. O. M. Gourlie was a visitor at the Likness home, not at Springs, as was stated.

On the afternoon of October 12, a hundred or more relatives and friends gathered at the Satre home on the occasion of the 25th wedding anniversary of Mr. and Mrs. Ludvig Satre. They were overwhelmed with surprise as 28 cars in all drove into the yard. Relatives were present from Edmonton, Bawlf, Loughheed and Jarow as well as those of the immediate district. One car of friends came from Tofteld and another from Wainwright. A short program was enjoyed, the opening song being "O Happy Home." Curtis Satre had a brief devotion reading from Eph. 6. Mrs. Pedal sang "God Bless This House." Mr. S. Nelson then presented the happy couple with a case of silver—a gift from relatives and friends of the district.

Mrs. Reitan, on behalf of the Ladies Aid presented them with a beautiful cake plate. There were other gifts and cards also. Mr. and Mrs. Satre each spoke a few words of thanks and expressed deep appreciation for the kindness shown to them on this special occasion. By request of Mrs. Satre all joined in singing "Home, Sweet Home."

The afternoon came to a close after a bountiful lunch was served.

Mr. and Mrs. Mark Russel have a baby daughter, Christine Faye, born at Hardisty hospital on September 23.

Mr. and Mrs. Wm. Yakes also have a baby daughter born at Hardisty hospital on September 26.

"Industry and business cannot be allowed to arbitrarily raise prices without having to prove the need to do so."—Percy Bengough.

"From the Member of Parliament to the laborer in the factory, men are talking of the need for a revival of religion."—Rev. Horatio Todd.

## Southern Sayings

Mr. L. Hill is down visiting with Mr. and Mrs. S. Johnston.

Mr. and Mrs. I. Johnston and Carol of Edmonton were down to spend the weekend with Ivan's father and mother.

Mr. and Mrs. Wm. Ewert and Len motored to Edmonton last week.

A farewell party was held at S.P. School for Elaine Laing. The evening was spent in dancing. Elaine left for Theodore, Saskatchewan. The duck hunters of Strawberry Plains are slipping badly. Maybe the ducks aren't numerous enough, or the hunters aren't good enough shots.

Miss Tina Woloshyn attended the Teachers' Convention at Vermilion.

Miss Nora Funk was a visitor to Edmonton last week.

**LIVESTOCK STRIKE BECOMES CRITICAL SAYS I. V. PARLOW**

Describing the many and growing difficulties which are facing the livestock producers in Alberta as a result of the packing strike, Verne Parslow, as secretary of Calgary Livestock Exchange, has addressed a full report to Hon. E. C. Manning this week.

Accumulating backlogs of cattle ready for delivery are left on the producers' hands, he says, and although losses have been nominal, they will increase sharply if the strike continues.

Mr. Parslow then reviews the situation of cattle, hogs and sheep separately, showing the losses and difficulties faced by the farmers in each section.

**OPPORTUNITY FOR CANADIANS**

OTTAWA, October 11th, 1947.—At a last minute check-up on arrangements for the sale of Canada Savings Bonds, which began on October 14th, Graham Towers, Governor of the Bank of Canada, said he was satisfied that every Canadian would have a convenient opportunity to invest. Mr. Towers stated that the great majority of business executives evidently intended to operate the Payroll Savings Plan for the benefit of employees. "Sales to the general public," said Mr. Towers, "will be made by official agencies including approximately 3,000 branches of chartered banks and 675 investment dealers, trust and loan companies and other savings institutions. In addition, authorized investment dealers have appointed approximately 6,200 sub-agents to act for them in making widespread distribution of Canada Savings Bonds."

Officials of the Bank of Canada stated that the effect of the limit of \$1000 placed on holdings in any one name would reduce the total dollar sales in comparison to the results obtained last October when sales approached five hundred million dollar mark. It was expected, however, that the number of purchases might equal the unexpected response to the First Series of Canada Savings Bonds when over one million two hundred thousand applications were recorded.

Shipments of supplies to all official sales agents and to more than fifteen thousand Payroll Savings establishments have been completed on schedule. It is evident from supplementary requisitions received that official sales agents look for a widespread demand from the general public and that many Payroll Savings establishments expected participation by their employees to exceed participation in the First Series. An interesting feature revealed by reports is that some companies did not operate the Payroll Savings Plan last year have decided to install it this year.

The Second Series of Canada Savings Bonds bears interest at 2 1/4% for a period of ten years. A limit of \$1000 has been placed on holdings in any one name. All bonds are registered in the owner's name but may be cashed at any time for full face value, plus interest, at any bank in Canada.

## Easterly Echoes

Mr. and Mrs. J. D. Campbell of Edmonton are visiting at the home of the latter's brother, Mr. James Fenton and his wife, also other relatives and friends including Mr. and Mrs. A. MacClenan of the Cattle Park.

Mr. Lloyd MacLean underwent an operation for appendicitis in Wainwright Hospital late Monday night.

Mr. and Mrs. Elmer Budgeon of Dapp are visitors in the district. Colin Carter of Wainwright spent the week at the M. Enger home while his mother and father were in the city where Mr. Carter is a patient in the University hospital.

A delightful shower was held at the home of Mrs. Phil Inkin for a former resident of the district Miss Margaret Shotts whose marriage took place recently.

Have you any visitors or news for this column? If so, please tell me and it will be appreciated very much.

**Northern Nuggets**

Miss Helen Atkins spent the holiday in Edmonton.

Thanksgiving visitors in the Albert district were Mrs. D. Smith and Miss Edith Jones, at the E. J. Jones' home and Mrs. McRoberts and Miss Edith McRoberts at the home of Dick McRoberts.

John Barsa has been a patient at the Maxville hospital suffering from an infected throat.

Schools will be closed in these districts Thursday and Friday while the teachers attend the convention held at Vermilion.

Work is nearly completed on the new teacherage in the Educational Point S.D.

## Wedding Bells

**WASYLICHEW—WHITTEN**

An attractive wedding took place in the Viking United Church on Tuesday, October 14th, at 2 p.m. when Kathleen Barbara Whitten, third daughter of Mrs. Whitten and the late Mr. W. J. Whitten became the bride of Mr. Michael Wasylchew, of Kinsella, Rev. A. W. Cann officiated.

The bride, given in marriage by Mr. H. G. Thunell, wore a gown of white net over sheer featuring a high neckline, and she carried a bouquet of roses. Little Joyce Gray, daughter of Mr. and Mrs. Max Gray, was her train bearer.

Her bridesmaid was her sister, Miss Ruth Whitten, who wore a floor length gown of blue sheer over tulle with matching accessories.

Mr. Robert McMurray, of Kinsella, was best man. Mrs. E. C. Gilpin played the wedding music and during the signing of the register, Mrs. Cann sang, "I'll Walk Beside You."

After the ceremony a reception was held at the home of the bride's mother to a number of immediate relatives and friends. The bride's table was centred with a three-tiered wedding cake, beautifully decorated.

The newlyweds left later on a short honeymoon and upon their home on the groom's farm, south of Kinsella.

A host of friends extend congratulations and good wishes.

**Active Service Men**

A Zone Rally will be held in the North Hall, Viking, on October 21st, 1947. Members from twelve branches of Zone 2 will be in attendance. All local former Active-Service men are invited to attend.

Speakers: Mr. C. Heckbert, Pres. of the Viking Branch; Mr. H. Abbot, District Commander; H. Schaefer, Zone 2 Commander, will act as Chairman.

Male members are permitted to invite lady friends and vice versa for female members.

**T.B. QUESTIONS**  
ANSWERED BY THE  
ALBERTA TUBERCULOSIS ASSOCIATION  
GIVEN BY F. H. WATSON, M.D., M.C.  
National Tuberculosis Assoc.

Q. How can you determine whether or not a collapsed lung is improving?

A. Usually this can be told by the general condition of the patient and his symptoms as well as by various laboratory tests of the blood, etc.; the appearance of the X-ray films sometimes suggests it.

Q. How often do you think I should have an X-ray? When improvement is taking place would it show on an X-ray taken every month? I am receiving pneumothorax treatment and my right lung is completely collapsed and the disease in the left lung is inactive.

A. Physicians giving pneumothorax like to fluoroscope their patients at the time of each injection, or very frequently during the course of the treatment. The necessity of taking X-ray films of course can be decided only by the doctor giving treatment. Changes may be noted each month during the more active stages of the disease and only over longer periods of time as the activity subsides. It is very difficult to determine the status of the disease in a fully collapsed lung.

**BAD HARVESTING WEATHER**

Cold rainy weather has prevailed over Alberta during the past week. The harvesting season has been one of the worst experienced years. While substantial progress has been made in southern Alberta, a comparatively small percentage of the grain has been threshed in central and northern areas. Taking the province as a whole not much more than sixty per cent of the threshing has been completed.

## Viking Items

The new Viking Elks' lodge hall was duly dedicated to the purposes of Elkdom at a ceremony and dedication held on Friday, October 10, by District Deputy Grand Exalted Ruler, Earl Hardy of Holden. In a brief but impressive ceremony he dedicated it to the uses of the B.P.O.E. of Canada and Newfoundland.

In spite of rainy weather 17 brother Elks from Wainwright and eight from Holden were in attendance. In all over 80 brother Elks were at the opening ceremony. C. Trueman, Exalted Ruler of the Viking Lodge, gave the visitors a warm welcome and expressed his delight at the large attendance in spite of adverse weather.

The new hall above the curling rink has dimensions of 26 feet by 64 feet, with the main hall 26x45. There is ample storage room, kitchen, preparation room, hallway and stairway. There is a system of indirect lighting in the main hall with walls painted light green and the ceiling white.

During the evening six new members were initiated into the mysteries of Elkdom. Exalted Ruler Trueman was assisted in the ceremony by Past Dist. Deputy Grand Exalted Ruler R. Brickman, and Past District Deputy Grand Exalted Ruler W. J. Brown, of Boston Bar, B.C., a former Exalted Ruler of the Viking Lodge, who was given a grand welcome.

Other dignitaries of the Elks order, present were Past District Deputy Grand Exalted Ruler Lorne Mitchell of Wainwright, and Exalted Ruler Bro. Hume of Wainwright Elks lodge.

Adolf Johnson, who did much to see that the hall was ready for the opening, whose services were recognized by being presented with a life membership in the Viking Lodge. Bro. M. Lausten, who is leaving to spend the winter months at the coast, was presented with an Elks fraternal pin.

The building committee consisting of Messrs. Ken Hilliker, G. T. Loney, Adolf Johnson, and M. Pisci, was given due credit for work in having the hall completed, and Mr. Ed Evans for his suggestion that the hall be built above the waiting room of the curling rink.

During the lunch hour speeches and talks were given by the dignitaries and local officers of the lodge and it was felt that the Viking lodge had made great strides since its inception twenty years ago.

The new hall is a credit to the Elks as well as the community at large.

Fosters announcing the second annual automobile bonspiel at Nipawin, Sask., starting January 7th, 1948, and continues for ten days, have been received locally. Last year the Howard Wood rink from Winnipeg rode home in the four new shiny cars. The entry fee is \$100.00 per rink and the entry is limited to 150 rinks. Last year three members from our local club were among those present, Lloyd McIntyre, Cecil Runyon and Clem Loughlin.

Fred Ross has been engaged as caretaker for the Viking curling rink and is busy tidying up the rink and preparing to make ice as soon as the weather turns cold. Lars Osberg spent the holiday week-end with Fred Ross in leveling the ground which will be finished today (Wednesday).

There seems to be a lot of worrying about what Princess Elizabeth is going to wear for her wedding on November 20th, and also what kind of presents to give the Royal couple. The princess will no doubt select her own gowns and suitable gifts made in due time.

The meat packers' strike is still far from being settled and each day that the strike is on the agricultural industry of Canada is jeopardized. Just why the strike cannot be settled is a mystery to most people. Here is a chance for the federal as well as the provincial governments to step in and settle this nuisance strike and should have been done long ago.

Mr. and Mrs. W. J. Brown, of Boston Bar, B.C., are guests at the home of Mr. and Mrs. G. T. Armstrong. The Brown family left here about two and half years ago to make their home at Boston Bar where they have been operating an auto court.

Mr. and Mrs. Johnny Place and family, Mr. and Mrs. Buster Green and family, of Nanton, visited friends and relatives in Viking and district during the Thanksgiving holiday.

### DEAR JIM

Jesus loves His children, Dear Jim, And He calls them one by one, You have had your call Dear Jim, And left the things we would have done,

I'll load our trucks and trains Dear Jim,

Alone out in the sun, And someday, Jim, I'll see you, When I get my call to come,

We'll do all those things, Dear Jim, That we didn't have time to do, When I find you again, Dear Jim,

Away up in the blue, So polish all the stars, Dear Jim And turn the moon on bright, Because when my day is done,

Dear Jim, I'll look up in the night

And say, "Tis my pal, Dear Jim," Whose work was always right,

So I'll say "Farwell, Dear Jim" And carry on as two,

Until some hole I need, Dear Jim, Then He'll call me there to you,

Albert Gregory Loader.

## World of Wheat

by H. G. L. Strange

Prices for registered and Certified seed for this year have been established. Seed growers, representatives of Crop Improvement Associations, such as the "Crop Testing Plan" and others, which distribute seed at no profit to themselves, representatives of Provincial Governments, and of the Dominion Plant Products Division, recently met and agreed upon uniform prices. The prices to be paid to seed growers have been increased over last year, based on the knowledge that Parliament will increase the price of wheat and make it retroactive for 1945 and 1946, but seed growers do not receive any participation certificates from the Wheat Board, so they are obliged to add to the price of seed the benefits they would have received had they sold their seed as grain to elevators. It is hoped, therefore, that when farmers note these higher seed prices they will remember that for the extra time, expense, effort and work seed growers are obliged to expend, that they are still receiving but a modest return for their additional work. If Registered seed is now at a comparatively high price, do not let us forget that the quality of this seed is even higher.

### COUNTRY ELEVATOR WHEAT PRICE

The Canadian Wheat Board has announced that until further notice sales of Board wheat at country elevators will be made at \$1.58 1/4 a bushel, basis 1 northern, less the freight rate to Fort William or Vancouver, whichever is the lower.

To this price the regular diversion premium will be added, which is 1 1/2¢ per bushel in the case of 1, 2 and 3 northern; 2 1/2¢ on 4 northern and all other grades including durum, garnets or Alberta red winters, with an additional 1/2¢ per bushel on all grades of tough wheat.

### Seed Showmanship

Western Canada has established over the years a world-wide reputation in the production of high quality grains of all kinds. Let us become complacent, it should be noted that these laurels have not been won without considerable effort.

Seed shows, large and small, national and international, are recognized as an excellent means of stimulating an active interest in good seed and crop improvement. Shows of this kind have a definite advertising and educational value. Crops which should be encouraged are displayed and a competitive spirit, as well as the urge to improve, is developed.

The ideal exhibit consists of kernels typical of the variety, and as nearly alike as possible in size, shape and colour. The whole sample should present a sound, plump, lustreous appearance. It should be free of all weed seeds, foreign material and other impurities. All evidence of seed-borne disease or unsoundness (weathering, machine damage, sprouting, etc.) should be eliminated.

Assistance Offered. This year the Western Provinces are making a special effort to have a large and representative group of exhibits at the Royal Seed Show, Toronto. The Provincial Departments of Agriculture will pay the shipping costs to and from Toronto on approved exhibits. In addition, certain provinces will supplement the prize money won by successful exhibitors. Prospective exhibitors should write to their Provincial Department of Agriculture for prize lists and further information.

Remember, then, the Royal Seed Show is being held at Toronto, with entries closing October 24th, and the International Hay and Grain Show at Chicago, with entries closing November 10th.

A large entry of carefully prepared exhibits will help to publicize Western Canada's reputation for the production of high quality seeds of all kinds.

### SEED AND FEED SUPPLIES

There will be a heavy demand for seed grain between now and next spring, according to information in the hands of the provincial department of agriculture. That department advises farmers who will need seed to get their supplies with the least possible delay.

Frost, drouth and hail have curtailed production in many districts

and what grain has been produced is unsatisfactory for seed. Eastern Canada is in the market for large supplies of both feed and seed grain. This demand will not wait until spring.

If there is seed or feed grain within trucking distance make sure of your supplies before it is too late. —Wheat Pool Budget.
